

UOK East Sussex Wellbeing Service Tender Partner Opportunity Briefing Event

Southdown, as Lead Provider for UOK East Sussex, invite you to an open, online partner opportunity briefing session for the East Sussex Wellbeing Service Tender.

Who should attend

Any community and voluntary organisation, big or small, working in East Sussex to improve the mental health and wellbeing of residents.

Purpose of the event

A procurement event to allow potential partners to familiarise with Southdown's vision to enhance mental health community support services across East Sussex by developing integrated contracting models with Voluntary, Community and Social Enterprise (VCSE) and other partners.

Attendees will have a chance to:

- hear about the redesign process of the proposed new UOK East Sussex Wellbeing Service
- know the service specifications
- understand the procurement process and its timeline
- know how they can get involved
- ask any questions they have
