

Impact Report 2024 - 2025

Southdown

About Us

Southdown provides housing, care, and support across Sussex. We believe everyone has the right to feel safe, be well, and live the life they choose.

We are guided by our values:

- Being a force for good
- Brilliant with people
- United
- Trustworthy
- Responsive

Our Impact

11,000+

We supported over 11,000 people across Sussex this year.

Almost everyone said that getting our support made a positive difference for them.

Our support helped people feel safer in their homes, more confident, and better at managing their lives.

What People Told Us

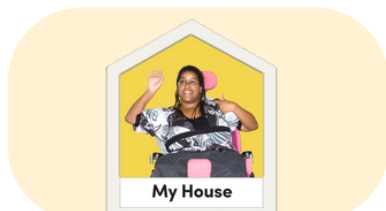

How We Helped

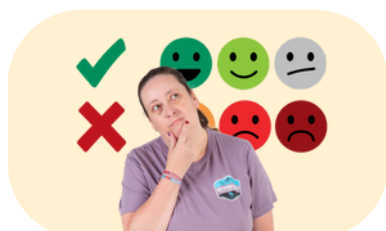

Better mental health - We provided crisis cafés, peer support, and new neighbourhood mental health teams.

Independence and purpose - We helped people with learning disabilities live with dignity and confidence.

Safe homes - We provided supported housing that prevented people from becoming homeless and helped them feel more stable.

Working together - We encouraged clients and tenants to give us feedback and help us improve our services.

How We Work

People first - We listen to our clients, tenants, and staff.

Great staff and a great place to work - We are one of the United Kingdom's most family-friendly and inclusive employers.

Strong finances - We spend money carefully to protect our services.

Committed leadership - We have a new leadership team that will guide Southdown into the future.
